Dear Mr. Casey:

It was a "hot time in the old town" that night!

Despite the heat, I have the impression (confirmed by calls received here) that most if not all who attended the Awards dinner departed with very good feelings about the evening. There is little doubt, that those feelings were abetted mightily by the cast of stars who occupied the podium. Once more, you were great--your participation in the award program imparts a character to the affair which is indispensable.

Your willingness to play the key role in our program will be long remembered with warmest gratitude. I believe that Senator Goldwater shares that sentiment, as well.

Kindest personal regards,

  
John E. Morrison, Jr.  
Major General USAF (Ret.)

COMMITTEE ON ARMED SERVICES

WASHINGTON, DC 20510

July 31, 1985

The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

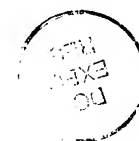

Dear Bill:

That was one of the most wonderful nights of my whole life last night, and it was made that way because of your overly-generous introduction of me. You know as well as I do in this political life we live in, it is darned seldom that anyone takes time to even say "good morning" with a smile.

So, when you stood up there and recalled the few nice things that have happened in my life, believe me, I was proud and happy. I thank you from the bottom of my heart.

With best wishes,

  
Barry Goldwater
